

**Exposició col·lectiva al Convent de Sant Francesc, Berga**

A woman with blonde hair is kneeling in a dark, possibly underground, space. She is wearing a light-colored long-sleeved shirt and dark shorts. She is holding a cluster of several green, heart-shaped balloons. The lighting is dramatic, with a strong light source from the side, casting shadows and highlighting her face and the balloons. The background is dark and textured, possibly a wall or a large piece of fabric.
